## Principal's Message

Welcome to all of our new and returning students. It is a pleasure to serve as your principal. I look forward to the new school year as we prepare to learn and grow together.

Please take time to review this student handbook which will keep you well informed regarding school policies. We empower you to know the rules and expectations for appropriate behaviors and will do our very best to use every opportunity to educate you according to appropriate conduct.

I want to remind all of you that we are here to support you as you develop academically and social-emotionally. Our entire staff is here to assist if you have any questions along the way.

Please remember that to be successful you have to give your very best each day which includes working hard in the classroom, completing homework assignments, and studying for quizzes and tests. After school support is available three times per week where you will have access to every teacher for additional support as needed on Monday, Tuesday and Thursday from 2:20pm-3:00pm. Please take advantage of this resource to assist with your education.

We also want to encourage you to get involved with as many activities as you can during your middle and high school years. We offer numerous clubs, sports and after school events that will fit almost every interest. You can ask any staff member for direction if you are looking to get involved with any of our after school programs or events.

Please know that Mr. Rusco and I, as well as the entire staff, are available to support you as needed.

Let's make this a great year.

Mr. Scot Stutzman

MS/HS Principal

# Student Guidelines

## **AFTER SCHOOL RULES**

- After 2:20pm, NO student should be in the hallways (including the fitness center hallway), locker rooms, bathrooms or cafeteria without a pass.
- Students who are failing any courses should be staying after for extra help with a teacher from a class that they are failing.
- Students failing ANY class will not be allowed to stay in the MPR or weight room during after school support (2:20pm-3:00pm) unless approved by the high school office or for the purpose of making up any physical education requirements which would be arranged by the physical education teacher in advance.
- Athletes will be allowed to leave 15 minutes in advance of practices/games in order to prepare.
- NO student should be in the building unsupervised after 3:00pm.

## **ASSEMBLIES**

Assemblies are a regularly scheduled part of the curriculum and as such, are designed to be educational as well as entertaining experiences. They provide one of the few opportunities in school to learn formal audience behavior. Regardless of the type of program, courtesy demands that the student body be respectful and appreciative.

## **ATTENDANCE AND ABSENCES**

1. Students are expected to regularly attend school and be on time for all classes.
2. Students with twenty-nine (29) absences from a full-year course, or fifteen (15) absences from a half-year course will have failed to meet attendance requirements, resulting in a course failure. Students are still expected to participate in all classroom activities, assignments and assessments until a final attendance determination has been made from the appeal process.
3. An appeal process will take place for students who exceed the allowable number of absences for a course and, if it is found that the student has still exceeded the number of allowable days (no days are given back), all remaining assignments will be counted as “zeroes” and will be averaged into the final course grade. The final course grade will appear on the student's report card and transcript and will be calculated into his/her overall GPA.
4. A written excuse from a parent or guardian must be submitted for each absence or tardy to school within (3) days of the initial absence.
5. For all absences, with the exception of truancy, students will have (2) days to make up the assignments unless other arrangements have been made with the teacher. It is the student's responsibility to see his/her teachers to obtain missed assignments and due dates. For students with extended absences (exceeding five days), a meeting will be held with the student's school counselor, teachers or parents to determine the best academic course for re-entry.

## **TARDY PROCEDURES WHEN LATE TO CLASS**

1. Tardiness between classes is unexcused. It will be excused only upon presentation of a pass from the teacher who has detained the student.
2. Unexcused tardiness of more than 15 minutes of a class will be considered an absence.
3. Passes will not be issued by the attendance clerk or main office unless the student was there.
4. Students who report to class late will be subject to an after school detention. Classroom teachers have the right to keep any student after school as deemed appropriate.

## **TARDY PROCEDURES WHEN LATE TO SCHOOL**

1. Any student absent from homeroom without an excuse will be recorded as being absent.
2. Students arriving late to school and failing to check in at the MS/HS office may be subject to disciplinary action.
3. If a student is late to school anytime during the day, the student **MUST** report to the main office with a written excuse upon arrival. Students who are late more than (3) times per semester will receive a detention for each late arrival that follows.

## **ANNOUNCEMENTS**

To preserve instructional time, announcements over the P.A. system and/or video announcements will be kept to a minimum and will be made in the morning during the homeroom period. Only critical announcements will be made during the school day or in the afternoon after 2:08pm. Guidance and scholarship information will be posted outside the guidance office.

## **BUS PASSES**

Students who must ride a bus other than their regular bus must have written permission from a parent in order to obtain a bus pass from the middle/high school office. These notes should be dropped off prior to homeroom. Passes will be issued to these students and can be picked up at the main office prior to the end of the day. Individual teachers will only issue bus passes for students who have stayed after school with them for the entire 40 minute period.

## **CARE OF OUR SCHOOL**

Students should not mark school lockers, school furniture, walls, ceiling, floor, or equipment with pen, pencil, paint, or any other instrument. Please use the trash containers to dispose of papers and food wrappers. Do not tamper with the fire alarms, fire extinguishers, AEDs, or any electrical systems. Any student who willfully destroys school property through vandalism, arson, or larceny, or who creates a hazard to the safety of our students will receive disciplinary action and/or a referral to the proper law enforcement agency.

## **CHEATING/PLAGIARISM**

The CVCS District insists upon academic honesty. The teaching staff also wants to educate students concerning the facts of plagiarism and furthermore wishes to prevent students from committing plagiarism out of ignorance. To this end, all teachers will review and clarify various types of plagiarism on a consistent basis in the educational process. Cheating is defined as the act of obtaining answers for any test, quiz or homework that does not come directly from the student's recall of information. This includes plagiarism. Plagiarism is defined as the act of passing off someone else's work, in part or as a whole, paraphrased or verbatim, as one's own. Students caught cheating and/or plagiarizing will receive a zero for the assignment pertaining to the cheating/plagiarizing incident. The teacher will write up the incident and will also communicate the incident to the parent/guardian, which will result in a disciplinary action for the student. *The administration and staff reserve the right to use computer-based resources to assist in detecting plagiarized material.*

## **ELIGIBILITY GUIDELINES/ EXTRACURRICULAR CODE OF CONDUCT**

The Board of Education affirms its belief that a student’s academic progress is the primary reason for his/her attendance in school. Students may always seek extra help from their teachers if they do not understand an assignment, if the work is difficult, or if they have been absent and have missed assignments and/or class discussions. A teacher will sometimes request that a student stay after school if it is apparent that the student is having difficulty with his/her work. This is not to be thought of as a punishment, but rather as the desire of the teacher to help students make academic progress.

## **EXTRACURRICULAR PARTICIPATION**

In order to be eligible for extracurricular participation, students must be in school by 8:10am, and remain for the duration of the day in order to participate in the day’s activities.
